

Public Health Services Available for Hurricane Katrina Victims Relocated to Memphis

The Memphis and Shelby County Health Department has opened its doors to help provide services to individuals currently in our community due to having to leave Mississippi and Louisiana as a result of Hurricane Katrina.

SERVICES AVAILABLE INCLUDED BUT NOT LIMITED TO THE FOLLOWING:

IMMUNIZATIONS:

Anyone needing immunizations can go to any of the public health clinics. They will be asked for ID, proof of insurance if possible, and proof of residency. No one will be turned away due to not having insurance information.

NOTE: schools have waived the requirement for immunizations to enter school at this time for these individuals.

Upon recommendation of the Centers for Disease Control and Prevention and the Tennessee Department of Health persons planning to return to their homes in the disaster and flooded areas of Mississippi and Louisiana should have a Tetanus shot if they have not had one in the last seven (7) years.

WIC SERVICES

WIC services will be available at the following Public Health Clinics for individuals that are relocated from Louisiana, and Mississippi due to Hurricane Katrina. Individuals should present a form of ID, which maybe driver's license or some other form of ID. Proof of insurance will be requested but not required (no one will be turned away without it), statement of income and residency.

WIC eligibility is:

- Birth to 5 yrs of age
- Pregnant women
- Breastfeeding moms
- Post-partum up to 6 months.

At the first visit 1-month supply of product or vouchers will be issued.

WIC services are available at the following locations and it is suggested to **call before** going to clinic site to assure services are available that day:

Galloway Clinic 522-8268 477 N. Manassas, 38105	Raleigh Clinic 386-2060 3040 Covington Pike, 38128
---	--
